

The Department for Levelling Up, Housing and Communities has provided the following answer to your written parliamentary question (189153):

Question:

To ask the Secretary of State for Levelling Up, Housing and Communities, what steps he is taking to implement its commitment in 2018 to (a) legislate to simplify complex company and opaque structures used to limit the security of tenure of park home residents and (b) amend the definition of pitch fees to prevent the use of variable service charges for park home residents in pitch fee agreements. Answer:

Rachel Maclean:

We have made significant progress on the implementation of our 2018 commitments, including supporting my Honourable Friend's Private Member's Bill which will change the inflationary index used in pitch fee reviews from the retail price index to the lower consumer price index.

We remain focused on improving the sector and will introduce primary legislation to implement our remaining commitments, when the parliamentary timetable allows.
